1679 Henrico County Tithe List
Transcribed by Frankie Liles
Henrico County Historical Society

Henrico County suffered a massive loss of its 1600's records. This is a very important early Henrico County record because it is the only known extant tithe list for Henrico County and is one of the earliest Henrico County records that survived. This list, used in conjunction with the early Henrico County land patents (which do survive) can be used to reconstruct the neighborhoods of the residents who appear on this tithe list.

Henrico County Record Book No. 1 (Deeds & Wills), 1677-1692 (Original), Henrico County microfilm reel 4a, pages 101-103, Library of Virginia, Richmond, VA.
