Laying of the Corner Stone

To face your duty Silently,
And live in righteous povety-
To pledge your best though it be small,
While others do not give at all-
It Takes Courage!

To seek a little ray of hope,
And start afresh along life's slope
To bear your burdens with a smile
While others grumble all the while
It Takes Courage!

To say you've sinned and ask for peace,
Through God's forgiveness and release-
To humbly pray in public place,
While others nod with smiling face-
It takes courage!
